

Web developer & IT engineer

From code to cable.

→ Lyon, France → contact@by-aks.com → +33 7 67 26 08 57 → by-aks.com

— PROFILE

Eight years in production, on both sides of the wall: the **web** (HTML, CSS, JavaScript, PHP, PrestaShop, WordPress) and **infrastructure** (Windows Server, Active Directory, VMware, Fortinet, Zscaler). Freelance web developer since 2018, IT support lead alongside. I design, build, host and maintain: one point of contact, from the first brief to long-term upkeep.

— EXPERIENCE

- IT Support Lead** 2022 → now
OPCO EP · France **CURRENT**
In charge of the IT fleet and end-user support (L1 → L3).
